## **7. Any Other Business:**

Margaret Earl reported the meeting regarding Pickmere lake was very well attended. The Police from Northwich/ Knutsford also attended. Pickmere Council are going to erect signs to try and keep people away. Another meeting was going to be arranged for September.

Document for HS2 – Helen was going to put it on our website.

Pinfold lay by potholes – The Chairman will try the Highways Department again.

Mr Benson has produced much correspondence between Cheshire East and Kate Parkinson and others concerned, re Heild grove play area. Many questions have risen but the facts are the area is not big enough to make a big enough play area and if inviting other children out of area the parking will be the biggest concern, the only way round this would be to reduce the grass area to make more parking and Cheshire East have no finance available for this.
